Defendants having requested by letter dated February 13, 2008 an order requiring plaintiffs in all RNC cases to identify those non-party witnesses they expect to call at trial, it is hereby ORDERED as follows:

- 1. By March 31, 2008, counsel for all parties shall identify all non-party fact witnesses that they reasonably expect to testify at trial on behalf of their respective clients.
- Absent exceptional circumstances, depositions of fact witnesses are concluded in all RNC cases, consistent with the case management orders. While some of the case management orders were extended de facto by the master deposition scheduling order, there was no basis for assuming that they had been abandoned altogether.

Re: MacNamara et al. V. City of New York, et al., 04 CV 9216 (KMK)

Your Honor,

Our law office has unexpectedly lost our lease and as a consequence, we are requesting a three-month delay in the previously negotiated and ordered Case Management Order (CMO) in the above-captioned case. I have contacted counsel for the defendants and we have agreed upon the following modifications in the CMO and are jointly requesting that the Court enter an Order, in accordance therewith.

We have agreed that, with the Court's permission, all dates set forth in the CMO (beginning with Paragraph 8) shall be postponed three months, with the following conditions and excentions:

- 1. Plaintiffs' responses to the City's interrogatories and document requsets, served on May 20, 2005, along with all executed releases, shall be served upon the City on a rolling basis, but no later that July 18, 2005;
- 2. The depositions of the named plaintiffs, noticed by the defendants on June 15, 2005 are adjourned until the pertinent records are produced and the parties set of these depositions shall be completed before plaintiffs serve their motion for class certification;
- 3. All of the provisions of the current CMO remain in place except those deadlines

affected by this agreement and Order,

- Plaintiffs shall file their Amended Complaint by July 15, 2005, and defendants' response shall be due by August 22, 2005;
- In the event that any witnesses whom the plaintiffs' seek to depose in this case, aside from arresting officers, are first noticed in another RNC case, plaintiffs will participate in that deposition rather than depose the witness separately.

The parties have also agreed that two of the plaintiffs, Julia Cohen and Chris Kornicke, will be dismissed without prejudice, as they have obtained new counsel. We will prepare a stipulation and Order. We thank the Court for its patience and cooperation.

Sincerely,

William Goodman

Drescher v. City of New York et al, 05 CV 7541 (KMK) (JCF) Re:

Dear Judge Francis:

On behalf of plaintiff and defendants, I write to request a modification of the Case Management Order (CMO) in the above-captioned case, which currently provides for a factdiscovery cut-off date of March 1, 2007. Both sides are exchanging written discovery, but need additional time for fact discovery. Accordingly, plaintiff and defendants jointly request that the Court grant an extension to the CMO deadlines such that fact discovery would be completed by July 1, and the remaining CMO deadlines extended by months. In addition, plaintiff had been pro se, but only recently retained an attorney. If this meets with your approval, would you please "so order" it?

Thank you for your time and consideration.

Respectfully submitted

Did you, at any time, have any conversations with Inspector Morris about RNC arrest planning prior to the RNC?

A. I forget when he came on board for the RNC.

Q. Do you remember why Morris in particular was chosen to work on this project?

A. Very well thought of. I believe he is an attorney. I just think we saw things in his background that we liked.

Do you know if he ever worked with

7 A. Usually Cohen. We would have 8 somebody there with him giving us the details of what happened the day before. McManus, Chief 10 McManus who is the RNC coordinator, would be there naturally.

Q. And the Operations Division, are they within the Patrol Services Division?

They answer to the Chief of the Department.

No, Chief of the Department's Α. office.

Q. What is their general duties?

They coordinate all of the citywide plans, activities details. They are the central depository for what is going on around the City.

A. I don't know.

You said that RNC arrests would be reported to the Command Center. What Command Center were you referring to, sir?

A. Emergency Operations Center, the EOC, police headquarters. We have a big conference room. All of the agencies that were working with the RNC were represented there, and there is a sort of a central depository for all activity.

Did you spend a fair amount of time within that Emergency Operations Center during the Republican National Convention?

A. No.

Where did you spend the bulk of your time during the RNC period? Was it out on the street? Was it at a command office? What were you actually doing most of the time? How did you organize your days?

A. We get briefed in the morning on what happened the day before. We get daily briefings.

A. Generally we try to get them down early in the morning, 8, 9 o'clock I believe they were.

Q. Was that in the Commissioner's conference room?

A. Most of the time they were in the Commissioner's conference room.

A. It varied.

A. Well, it really is the same policy for both, we are not going to allow it. Now, an investigation may be done by an outside agency, not us, depending on who the complaint is made to. Civilian Complaint Review Board may do it, the DA's office may do it, it depends on the allegation and how it's taken and the severity of it.

- Q. So you're saying that if the complaint is made to the Civilian Complaint Review Board, they would conduct the investigation?
- A. They get sent to that area. They refer it back to us because it's criminal, they may refer it to the DA's office.
- Q. Might it also be investigated by the Internal Affairs Bureau?
  - A. Sure.
- Q. Can you tell me where that policy is found, is it written down somewhere?
- A. Regarding with prisoners or within the agency?
- Q. Well, let's start with within the agency?

Ritchie, I'm counsel for Plaintiff Caitlin Tikkun in Civil Action 059901. I have some questions for you primarily about NYPD policy and practice.

A. Okay.

- Q. It's my understanding that you testified earlier in this deposition that sexual harassment by members of the New York City Police Department would not be tolerated; is that correct?
  - A. Correct.
- Q. As chief of department, are you aware of any specific NYPD policy concerning sexual harassment?

MR. FARRELL: Objection to the extent it's been asked and answered previously.

- A. We have a policy, and basically it's not going to be tolerated and we will investigate any allegations and take appropriate disciplinary action if necessary.
- Q. Are you talking about sexual harassment between NYPD employees or does this policy cover interactions between NYPD officers and members of the public?

J. Esposito

- A. Within the agency, the statements by the Office of Equal Employment, they're the ones who oversee this policy. And as far as with regards to prisoners, it would be in the patrol guide how to treat prisoners.
- Q. Can you give me a precise reference to a section of the patrol guide?
  - A. No, I don't have it.
- Q. Do you know if there is a section that deals specifically with sexual harassment?

  MR. FARRELL: Objection.
- A. I'm not sure if it mentions that per se.
  - Q. So what section are you thinking of?
- A. With regards to how to treat prisoners.
- Q. It's your understanding of the section that deals with how to treat prisoners specifically refers to sexual harassment?
  - MR. FARRELL: Objection.
  - A. I don't know if it does.
- Q. What about members of the public who are not prisoners?

MICHAEL A. CARDOZO

Corporation Counsel

The Honorable Richard J. Sullivan United States District Judge Daniel Patrick Moynihan United States Courthouse 500 Pearl Street New York, New York 10007-1312

Re: Consolidated RNC Cases

Dear Judge Sullivan:

On January 23, 2008, Magistrate Judge Francis issued an opinion and order granting in part and denying in part the motions of plaintiffs in approximately 37 RNC actions to amend their complaints to add various claims and defendants (the "Order"). As Your Honor may recall, plaintiffs' motions to amend were filed nearly three years after the incidents giving rise to these claims, on the eve of expiry of the federal statute of limitations and after nearly three years of consolidated discovery in the RNC cases.

In the Order, the Magistrate Judge has permitted plaintiffs to add as a defendant Deputy Commissioner of Intelligence David Cohen although we believe that plaintiffs have not properly pled any cause of action against him. Due to the importance of this issue, and other potential grounds for appeal that we are reviewing, defendants will appeal the Order for Your Honor's review.

In light of the burdens under which defendants are laboring in these numerous actions, which includes ongoing party and nonparty discovery as well as heavy briefing schedules before both Your Honor and Magistrate Francis on various issues, the parties have conferred on a briefing schedule. Plaintiffs' counsel, Jeffrey Rothman, has consented to the schedule proposed below; in several conversations, the Beldock firm, through Ms. Norins, has expressed no objection but has not yet provided a final answer; Ms. Weber consents on the

condition that she be permitted an extra week to submit her opposition to the appeal; other plaintiffs' counsel who have moved to amend have not responded to our email inquiries.

Based on these discussions, the parties propose the following schedule: defendants appeal shall be due on February 25, 2008; plaintiffs' opposition shall be due on March 17, 2008; and defendants' reply shall be due on March 31, 2008. The parties respectfully request that the Court "so order" it.

Respectfully submitted,

James Mirro

Subject: Briefing on Rule 72 re Amending Complaints

### Hi Jim & Raju:

Counsel in MacNamara consents to the proposed briefing schedule with the understanding that defendants will not be appealing the addition of the as-applied constitutional challenges to the Parading Without a Permit and Disorderly Conduct statutes.

Thanks, Clare
